MR. P.RAGHAVENDRA RAO'S ENDOWMENT.

The investment of the endowment fund in the 6½% Mysore Government Loan of 1920, will give an additional income of Rs.60-10- a year in the shape of interest earnings and its utilization has now to be considered.

In the scale of expenditure fixed for the French-Rocks Chattram only a sum of Rs.40/- has been set apart as "Reserve Fund" and this seems to be quite inadequate considering the fluctuations in the market -- and the very large building that has to be maintained in good repair. A sum of ---- Rs.60/- may therefore be added to the Chattram scale and the balance of Rs.0-10-0 -- added to the scale of the temple in Chitaldrug.

With his letter dated the 10th September 1920, the Deputy Commissioner of the Chitaldrug District forwards the records -- connected with the removal of a building -- material depot opened by one Garudachar in the temple compound and requests that sanction of Government may be obtained for the payment of a compensation amount of Rs.400/ to Garudachar to vacate the premises.

This point is submitted for orders.
